Hanover Hetel and Two Tenement-Houses Burned.

Inmates Compelled to Flee in Their Nightelothes.

(Special to The Evening World.) ELIZABETH, N. J., Sept. 28.—The Hanover Hotel, corner Trumbull and Second streets. Elizabethport, near the inger Sewing-Machine Works, was destroyed by fire at 2.30 o'clock this morning. Two tenement dwelling-houses adjoining wer also consumed.

The Hanover Hotel was a large frame structure, three stories high, and cost ut \$12,000. It was built and owned by Brewer Gottfried Krueger, of New-ark. Albert H. King has managed the hotel for the past four years and owned most of the furnishings. There were twenty-seven guests in the hotel, all employees of the Singer Company. all employees of the Singer Company.

throughout the town, it being reported that dozens of persons were burned to death.

The fire broke out in the bar-room, but its exact origin is not known. At the hour mentioned, A. P. King, the son of Proprietor A. H. King, was awakened by finding his room full of smoke. He was asleep on the second floor of the building, directly over the bar room. Without dressing, he hurried to the an adjoining room and aroused his father. They proceeded to investigate, and upon discovering the heaway that the first was then to save the lives of the guests of the hotel.

They hurried to all of the rooms and succeeded in arousing twenty-seven persons, none of whom had time to dress or save any personal effects. The building was totally destroyed within a very short space of time.

The fire then spread to the three-story frame building adjoining, owned by Rudolph Schultze. In this building were fifteen boarders, who were also aroused from their slumbers and compelled to hurry from their rooms without saving their ciothing. A little of the furniture on one of the lower floors was saved.

Next the fire spread to the three-story frame building. This house was also quickly consumed, and the inmates half a dozen in number, were compelled to hurriedly leave the building at the risk of their lives.

he was doing there, but received an answer.

Before he got to his room on the second floor he smelled smoke, and went downstairs to investigate. The lower hall in the rear was filled with smoke, so the tenant sent out an slarm.

The flames were found to be burning in the rear cellar. A lot of boxes were piled up and were burning, and the woodwork of one of the coal bins hal been caught. The flames were extinguished before any damage was done. The people in the house were badly frightened and rushed out into the street, dragging their household goods after them.

The coming glove contest between Austin Gibbons, of Paterson, N. J., and Joe Walcott, of Boston, Tom O'Rourke's light-weight champion, which is to form the star event of the initial entertainment at the Sea Beach Palace, Coney Island, promises to be decidedly interesting. Both have reputations of no mean order, and each is training faithfully. Despite Gibbons's nearly four inches advantage over Walcott in the after them.

Unknown Man Sets Fire to a Big Tenement.

The 300 Italians who live in the front and rear tenement-house at 91 Mulberry street had a bad scare at 8 o'clock this morning.

A man who lives in the house, returned home at that hour and saw a anger, seemingly about forty years age, running out of the hallway.

The Claffin A. C. of Harlem will hold a set of members' games at Sulzer's Har-lem River Park, Sunday morning, be-ginning promptly at 10 o'clock. A mem-bers' stag will be held to-morrow night.

The fight between Bobby Dobbs and John E. Butler did not take place at Lynn last night, the City Marshal having refused to permit the bouts. Dobbs was arrested on a warrant sworn out by J. H. Henton, his former manager, for breach of contract, but was released on ball furnished by Chris Johnson, of Boston.

The Harrisburg Shooting Association opened its annual Fall tournament yesterday with a clay pigeon match between Capt. Jack Brower, of New York, and A. C. Kluger, of Wrightsville, the former winning by a score of 33 to 88 out of a possible 100.

The football season will be opened by the Grange Athletic Club, champions of the American Football Union, to-morrow afternoon on the Orange Oval, East Orangs, when a game with the strong Stevens' Institute eleven will be played. These teams have opened the season annually for a number of years and an excellent game has always resulted. The personnel of the Orange team is undecided, as Capt. Coyne will do some experimenting, in order to select the best material for the first team. Last season Orange had difficulty in winning from Stevens, and as they have a stronger team this year, the game should be an interesting one. Play will be called promptly at 3.30 o'clock.

BASEBALL CHAT.

The denials of connection with the alleged "National Association" continue the scare created has subsided. The latest addition is that of Capt. Comis key, of Cincinnati. Comiskey says the National League is good enough for him, and that he does not see where there is room for a new league. He has nothing to do with the movment, and is sure it would fail. Whom does this denial leave for the new association? It can't be Kelly, for he is signed in the Eastern League.

Capt. Hanion, of Baltimore, has wired Capt. Ward that the Orioles will be busy being received by the citizens of their domain from Monday until Thursday, and, therefore, cannot think of the Temple Cup series before Thursday, Ward wanted to begin on Tuesday, but will waive his objection to any interference with the reception of the pennant winners.

It was Dad Clark who only gave Cin-cinnati four hits in yesterday's game. The theatrical baseball cranks will probably demonstrate their enthusiasm next week by inviting the Giants to oc-cupy select seats free.
